## Compass

One way that AccuCampus supports success initiatives is to provide “just in time” information through the Campus Compass, accessible through the included AccuCampus student-facing mobile app or through the website. This feature uses language that students immediately recognize and enables them to easily discover the resource that is right for them. The following is an example of how you could use the Compass. Let's see what this looks like on the website(on the left)and the mobile app(on the right):

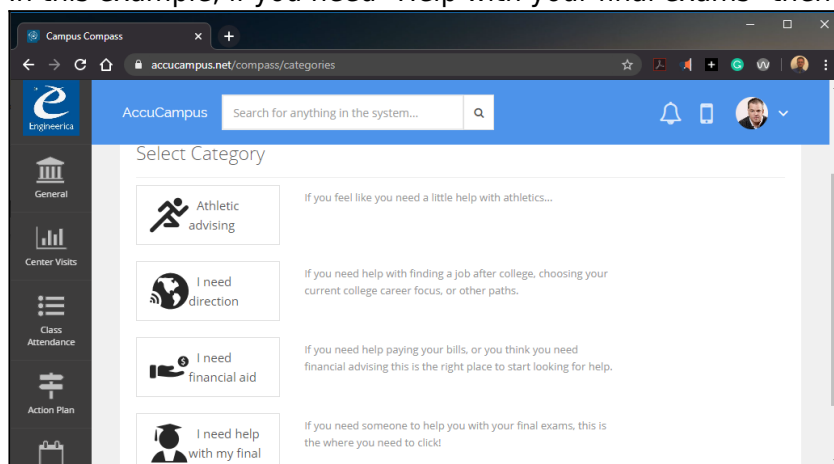

1. By selecting **Go to Compass** this is a quick way for users to find the help they need around campus.

OR

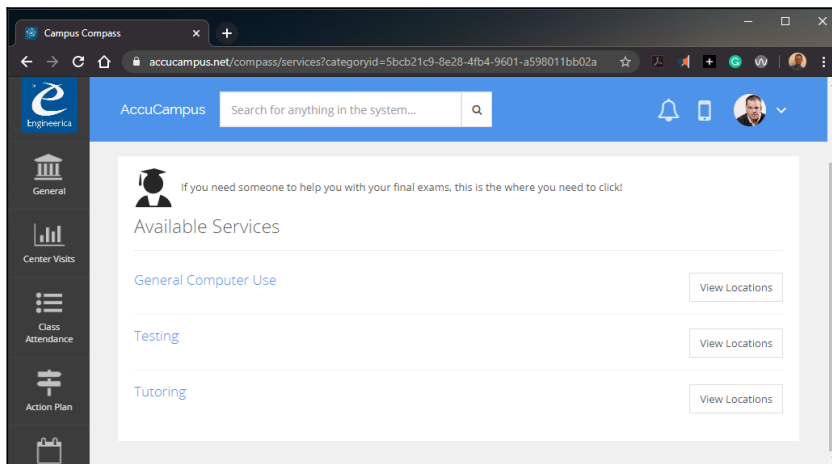

2. In this example, if you need "Help with your final exams" then you'll click that option.

OR

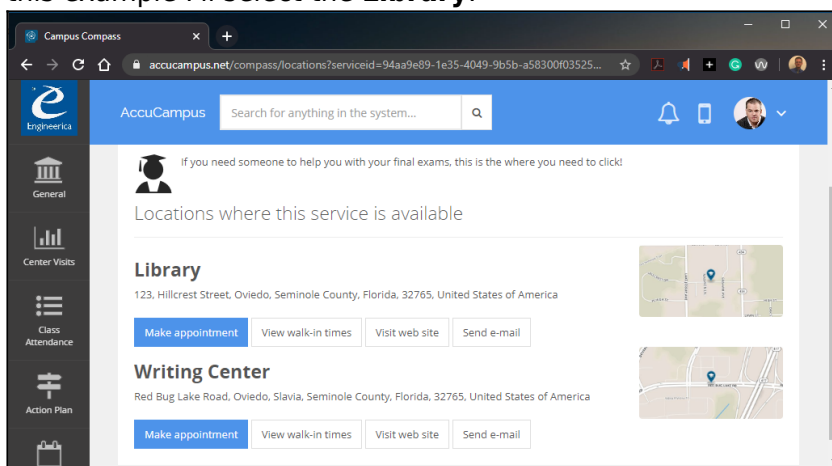

3. Now you'll see **Services** that are offered that can help you achieve that goal. In this example we'll choose **Tutoring**.

OR

4. At this point you'll see all the **Locations** available on campus to help you achieve that goal. In this example I'll select the **Library**.

OR

Please review the **locations** list, there are 2 buttons per row, Make Appointment and View Walk-in Time:

- **Make Appointment-** Select this option to make an appointment for this **Service** and this **Location**.
- **View Walk-in Time-** Click this button to see availability for walk-ins (more details in next section)
- **Visit Website-** Click this button to be directed to the **Location** website. Notice that this option might show or not depending on if there was a website specified for such **Location**.
- **Send email-** Click this button to send an e-mail to the **Location** personnel. Notice that this option might show or not depending on if there was an email specified for such **Location**.

## Walk-In Times

Use this screen to see availability for walk-ins in some **Services**. Follow the 3 step-sequence as specified in the screenshot.

### Walk-In Times

The screenshot shows a web interface for searching walk-in availability. It features several input fields for filtering results: Location (Athlete Services Office), Semester (Summer2020, with a date range from 05/16/2020 to 08/31/2020), Period (05/29/2020 to 06/01/2020), Service (Mentoring), Course (Financial Accounting I), and Staff (a search bar with the placeholder 'Type to search...'). Below these fields are two buttons: 'Search by staff' (highlighted in blue) and 'Search by date'. A large number '1' is placed to the left of these buttons. Below the search area is a section titled 'Staff Availability'. A large number '2' is placed to the left of this section. Under 'Staff Availability', there is a header for 'S\_Winnie Pooh' with a profile icon. Below this, the dates 'Friday 29 May 2020' and 'Saturday 30 May 2020' are listed, each followed by a button labeled 'Available - All Day'. A large number '3' is placed to the left of these date buttons.

Location: Athlete Services Office

Semester: Summer2020  
from 05/16/2020 to 08/31/2020

Period: 05/29/2020 - 06/01/2020

Service: Mentoring
