## Change Password

On this page, the current user can change the password depending on the security permits established in the system.

Please Contact your Accucampus Administrator if you think you should be able to view/change some information and you are not allowed to do so at this point.

### Change Password

A screenshot of the "Change Password" form. It contains three input fields labeled "Current password", "New password", and "Repeat". Below the fields are two buttons: "Save" (blue) and "Cancel" (white with a grey border). The form is set against a light grey background with a white border.

- **Current password** - Please use this field to type in your current password.
- **New password** -Please use this field to type in your new password, please notice there might be Password Complexity requirements needed, usually you must use at least three of the four available character types: lowercase letters, uppercase letters, numbers, and symbols.
- **Repeat** - Please re-type the new password you set in the previous step to confirm it.
- **SAVE** Please click this button to save all changes.
- **CANCEL** Please click this button to go back without saving.
