Download & install the AccuClub app
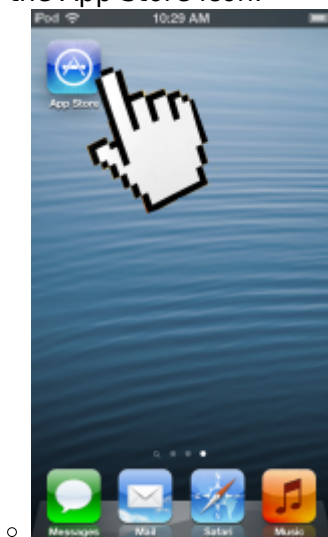

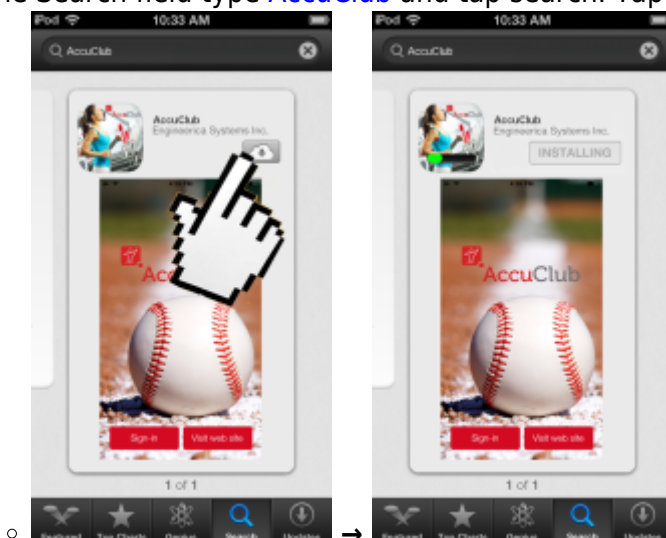

First, you need to download the AccuClub App from the App Store on your Apple device. It's a free application so no need to worry about additional fees. Here is a link to the AccuClub app store webpage.
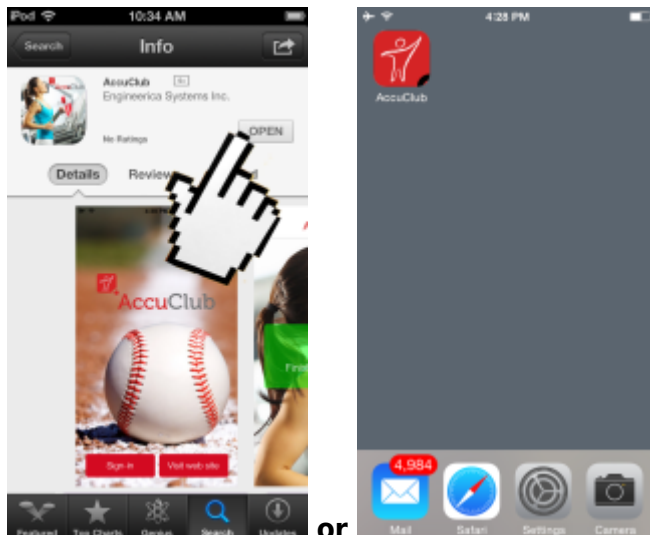

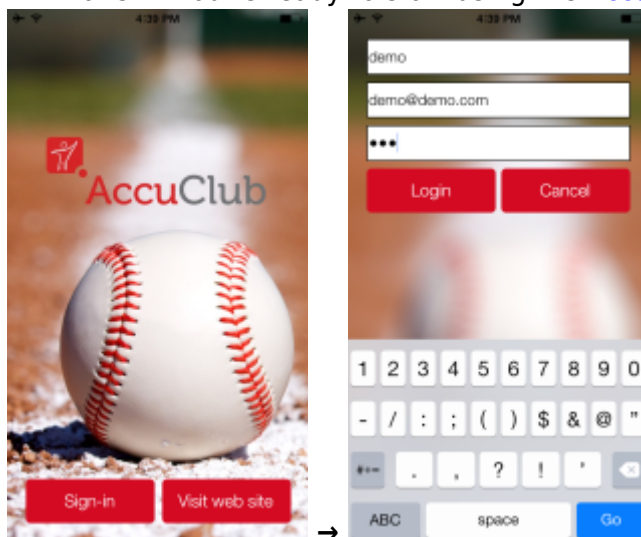

1. Tap the App Store icon.

2. In the Search field type AccuClub and tap search. Tap the cloud icon to download/install.

3. Now click open or from the home screen click on the AccuClub icon.

 or

4. Login using your AccuClub account by selecting the Account Type, Domain (Only Institutional Accounts), Email, and Password. It should automatically start to sync with your AccuClub account. That's it! You're ready to start using the AccuClub App!
