Where and how to Login

Your Login Credentials

In order to login to **Accudemia** you'll need the following credentials:

1. **User ID** - This is typically your existing Student ID.
2. **Password** - Passwords are not required to Sign-in to a Center as a student. This is only needed if you want to login your **Accudemia** account to view/verify hours, setup appointments, update personal info, and/or complete Center surveys.

Forgot your password?

If you forgot your password but know your **User ID** and **Email** that is associated with your **Accudemia** account you can go to your school's **Accudemia** website (<http://<myschool>.accudemia.net>*) or at a designated **Sign-in Station** onsite and click the **Forgot my Password** link. You'll then receive an e-mail message with instructions to follow to reset your password.

Watch this brief video to see how it is done:

This may be different if your school has you login through your Student portal. As noted above the **<myschool> part of the website above and **User ID** will typically be provided by your school's **Center Administrators**. If you are still having trouble logging into Accudemia then [Click here](#) to learn how to contact your **Center Administrators**.*

Where to Login

This is the website that your school uses to login to **Accudemia** and typically is formatted like following: <http://<myschool>.accudemia.net>*

How to Sign-in to a Center/Classroom

Sign-in to Center/Classroom

To Sign-in to a Center or Classroom you must do this at a designated **Sign-in Station** that your **Center Administrator** have setup. As a **Student** to sign-in you will not be asked to provide a password. The password is only necessary when logging into the Accudemia to setup an appointment, check hours, and complete surveys. If you want to do this then click the home icon at the bottom instead which will change the mode from a Sign-in to a Login.

If you are both a **Student** and a **Tutor** you will be prompted to choose the kind of Sign-in you are doing at this time like shown below:

Realize that if you are doing a **Student** Sign-in you can simply click the “Sign-in as a Student” option without a password as a typical **Student** would.

Center Attendance

View My Sessions

Purpose: To view your own Center Attendance session records.

Way to Access: **Center Attendance** > **Session Logs**

Using the Search

You will see a search button on this grid, use it to restrict the record search to a certain time period by entering the **From** and **To** dates. Clicking on the “Search” button brings to the forefront a search tab (which you can access directly by clicking on it as well). Use the grid ordering and filtering functionality (clicking on the column headers) to order the list by Course, Tutor or Instructor and also to further filter down information.

Manage My Appointments

Purpose: This module schedules appointments between yourself and a **Tutor**. Options such as **Edit**, **Cancel**, and **Re-Schedule** helps you manage your records easily.

Use "Show Filters" to display available **Tutors** to set the appointment.

From / To: To filter the Start and End date of the appointments.

Center: To filter by center.

Tutor: Type the Tutor's Name, it will display a list with the matched tutors.

Subject Area: Type the Subject area , it will display a list with the matched subject areas available at Accudemia. Click the **Search** button to start filtering.

When Accudemia finds the available tutors it displays two main sections:

- **References:** It displays a Color Reference items. The color shows the availability level.
- **Search Results:** It displays a list of tutor's boxes. Click on the boxes below to view the schedules.
 - It will display a **New Appointment** pop up window.
 - Follow the steps to set an appointment.
 - Click the **Accept** button to finish setting the appointment.

After you set the appointment, the schedule will change its color depending of Tutor's maximum attendees availability. It will also display the number of appointments set with the tutor over that time block.

If there is not available tutors Accudemia will display the following text: "Sorry, no open slots were found with the specified criteria. Please specify a filter criteria and click on Search."

View Appointments

Purpose: To view, cancel, edit scheduled appointments between yourself and a tutor in a list or schedule (calendar) format.

Way to Access: **Center Attendance > Appointments > View All**

Appointment Status

After an appointment has been scheduled, its status will automatically change from upcoming, to taking place, and finally to a past appointment as long as the student signs in as scheduled. There are also three other status changes that can be made to an appointment.

Canceled: Appointments can be canceled prior to the scheduled appointment time. This will remove the appointment from both the appointment list and the schedule unless the search option is selected to show canceled appointments. Email notifications will be sent to both the student and tutor at the time of cancellation. Tutors and students are able to cancel their own appointments while administrators can cancel other user's appointments.

No Show: An appointment is recorded as a no show if the student does not sign in within the designated time frame controlled in appointment settings.

Voided: Appointments can only be voided if they are already recorded in the Accudemia System as

Cancelled or No Show. This will remove the appointment from both the appointment list and the schedule unless the search option is selected to show voided appointments. Voiding an appointment can be used as a way to excuse a no show or cancellation. When voiding an appointment the user is asked to give a reason for the void. This reason can be seen in the appointments detailed history report.

Canceling an Appointment

To cancel a scheduled appointment in list view, select the appointments you want to cancel and select **Cancel Appt** button at the top of the screen.
