This would serve as a progress tracker for tutors, a method for tracking meetings for administrators, and as a record for the center. To view a comment, simply highlight the session by clicking on it and click on the "Comments" button.

A small icon is shown next to the student names in the grid if a comment was added to the session.

Tutoring Assessment

This section will only appear if your System Admin created a Tutoring Assessment. Always check with you System Admin on their procedures. [Click here](#) to learn how to contact your **System Admin** If you don't have a **Tutoring Assessment** available then you may need to pass the following information to the Center Admin.
