Seminars Buttons

Seminars

- **Create Seminar** - This allows you to create a new **Seminar**. Please see explanation in next chapter.
- **Locations** - Use to view/create Locations.
- **College Departments** - View College departments.
- **View Class Schedules** - View Class Schedules based on Instructor/Students/Locations.
- **Semesters** - Use this to see info about Terms.
- **Session registration** - This allows you to quickly register **users** for **Seminars**.
- **Services** - This filters the current view of the **Services**.
- **Search Filter (Magnifying Glass)** - This filters the current view of the **Seminars** on this screen to only show the **Seminars** that match the typed search criteria, please see details below.

Seminar List Options

You'll notice on the right-hand side of every **Seminar** in this list you have a **Delete** button:

- **Delete** - This option allows you to delete this **User**. A confirmation message will prompt you to confirm the deletion so that these are less likely to be deleted by accident.

If you do not see this option it may be based on your level or permissions set in AccuCampus.

Create New Seminar

In this section we can create any type of **Seminars** we want in AccuCampus.
