# ACCUTRACK SESSION LOG SETUP OPTIONS

Purpose: Used to configure the options and rules on the Session Logs screen.
Access: From **System Administration**, click on the left-side module **Session Logs > Setup** button (on the bottom-right).

Enable tutors to view other tutors' comments - This option allows all tutors to view their peers' comments.

Disable the tutor's ability to update logs after X hours from the visit's time - This option prohibits the Tutor from updating their comments after a specified time period.

Show Student ID in Session Log screen - This option allows everyone who has access to this screen to see the Student ID.
