HELP & UPDATES

The Help menu item gives you access to KB Articles, a way to contact center admins, and submit feedback about the software. The megaphone shows any updates or planned maintenance in Accudemia.

MOBILE-FRIENDLY

The website was built for use on smartphones, tablets, as well as desktop computers so try creating a Student Referral from your own device too.

Creating a Student Referral

1. **Click Referrals** on the top Navigation bar.
2. First **click the Create New button** when looking at the Referrals list screen.
3. Now **select the Center's Appropriate Referral** to send to the Center Administration.
4. **Once you have completed all the required fields on the Referral Form click the Save Changes** button to submit the Student Referral.

Note: Emailed updates should follow as the Center Administration and Staff work with the referred student.
